

Directions to the Parke Hotel

The easiest way to get to the Parke Hotel is to take your NORMAL route to the Illinois Farm Bureau Building via Veteran's Parkway~ EXCEPT instead of turning on to Vernon Road (east) you want to turn west ~ Vernon Rd is also called General Electric Road or GE Road –

There is a Walgreens Drug Store on the corner of GE and Veteran's Parkway – turn on to GE Road going west and you will pass through 2 stop lights (Hershey Rd and Airport Rd) and then as you approach the 3rd stop light (you are passing little strip malls shops on right, homes on left) you want to turn right at the road before the 3 rd LIGHT.. there is a bank on that corner and the street is called Leslie Dr. You will see the Parke Hotel as you turn... you cannot miss it.

****If you go through the 3rd stop light (Towanda Barnes Road).. there is nothing but farm fields... Towanda Barnes Rd is the edge of town.. the Parke Hotel is only about 6 minutes from the IFB building..

IF these directions are not helpful, please call the Parke Hotel directly ~ (309) 662-4300.
