Sprouting Success in the Classroom

Gain seeds of knowledge through:

- Graduate Credit/Professional Development Units
- Free Innovative Teaching Materials
- Exciting Hands-On Experiences
- Hot Issues from Ag Experts
- Fun Field Trips
- Action Plans For Your Classroom

Since 1991, more than 12,302 Illinois educators have completed a Summer Agricultural Institute! The course is designed for PreSchool-High School educators who wish to expand their curriculum to include topics related to agriculture – the world's food and fiber system. The course focuses on how to integrate available resources and hands-on activities about agriculture and the environment into an existing classroom curriculum.
