

DIRT PUDDING

Ingredients

- 1 package instant chocolate pudding mix (3.9 oz)
- 1/2 cup graham cracker crumbs
- 1 cup crushed Oreo cookies
- Gummy worms
- 2 cups milk
- Green M&M's
- Clear cups

Directions

- Make the chocolate pudding following the package directions and refrigerate.
- Crush the Oreo cookies into small crumbs and set to the side.
- Once the pudding is set and ready, spoon about 1/2 cup into a clear cup. This represents the clay!
- Spoon 1-2 tablespoons of graham cracker crumbs on top of the pudding layer. This represents the sand!
- Next, spoon about 1/4 cup of crushed Oreos on top. This represents the silt!
- To create the loam, stir all your ingredients together!
- Next, add a few gummy worms to improve soil quality.
- Lastly, top off your soil with some green M&M's to represent organic material!
- Enjoy!
