

FROM A SEED...

Follow the path this corn takes all the way from the farm to your store. Meet some important people on the way!

Hi! I'm the farmer! I grow the corn.

How many kernels do you see on this ear of corn?

I'm an agronomist! I keep the corn and soil healthy.

I'm a truck driver. I get the corn where it needs to go.

Color in this semi truck!

There are lots of roads in Illinois. What road do you live on?

I'm a grain marketer! I sell the corn.

Trains often intersect with grain elevators.

Have you ever ridden on a train? With who? _____

...TO YOUR STORE

Where are your favorite places to shop?

We're scientists!
We research better
ways to make corn
products.

Draw some tools you know in the space above.

I'm a mechanic. I
fix any machines
that break along
the way.

I'm a barge driver.
I transport corn
down the river.

I'm a processor. I
turn the corn into
products you use!

What do you use or eat that has corn in it?
