

# Project Grant

Grant Amount: up to \$300.00

Apply for this grant for the opportunity to fund projects for integrating agricultural literacy in the classroom.

## How it Works

1. Design a project for integrating agriculture into a variety of curriculum areas.
2. Make note of materials needed to complete your project.
3. Apply for the grant at <http://iaitc.co/projectgrants> by **Friday, October 17, 2025**.
4. Successful grant recipients will:
  - Be notified via email by **November 7, 2025**.
  - Submit a Funding Agreement, signed by you and your building principal, by **December 5, 2025**. Failure to do so will forfeit the grant.
  - Receive a check for the agreed-upon amount from your grant application to purchase materials.
  - Submit a Final Grant Report by **Friday, May 29, 2026**, to tell us how your project went.

## The Fine Print

- This grant will not fund consumable items, field trips, plants, or incubators. Priority will be given to grants that contain materials for use over multiple school years.
- Reviewers recommend that your grant request be used in its entirety for one specific project rather than linked to other potential funding.
- Each teacher may submit only one grant application.
- Project grants may be awarded to more than one teacher in the same school.
- High school ag teachers may apply with an elementary teacher if their students/FFA members are working with a specific classroom.
- You may contact your county Ag Literacy Coordinator for help with this application.
