

EMBRYOLOGY EXPLORATION

Educator Guide

Welcome!

In this workbook are 6 egg-citing activities! Enhance your chick embryology unit by completing 2 activities during each week of incubation: 1 activity on paper and 1 hands-on lab experiment.

Printing:

Choose from the following options:

Booklet Printing_(Full Workbook): Print on 11x17 paper, double-sided, flip on SHORT edge. Pages are pre-arranged.

Packet Printing_(Full Workbook): Print on 8.5x11 paper. Pages appear in order.

Individual Activity Printing: Print each activity individually on 8.5x11 paper.
